ABOUT OZANAM

Since 1948, Ozanam has helped children with emotional, behavioral and learning disabilities through a continuum of programs that help them to reconnect with their families and communities. We offer complete residential and day treatment programs, group home living, transitional living services and behavior consultation services to many local and regional school districts. Ozanam is a Cornerstones of Care agency and a member of the United Way of Greater Kansas City.

EAGLES NEST

In 2009, with the help of many community volunteers, Ozanam completed construction of a nine-hole disc golf course dubbed "Eagles Nest" on campus. Disc Golf has now become a popular weekend and after school recreation activity for the boys and girls!

ABOUT THORNFIELD DISC GOLF COURSE

Thornfield Disc Golf Course was built by Suburban Lawn and Garden in early 2008 on the scenic property owned by Bill and Bo Stueck. The only private golf course of its kind in Kansas City, Thornfield was designed by Dennis Vahsholtz and Bill Paulson. The Stueck's vision in building the course was to host tournaments for local non-profit organizations. Bill has been a friend to Ozanam for many years serving on the Board of Directors, the Foundation Board and even employing boys and girls so they may gain job experience.

ABOUT DISC GOLF

Disc golf began in the 1960's as an offshoot of the Frisbee craze. There are now over 2,500 disc golf courses throughout the country including 10 in Kansas City. It is easy to learn and accessible to people of all ages and fitness levels.
