

About Ozanam

Since 1948, Ozanam has helped children with emotional, behavioral and learning disabilities through a continuum of programs that help them to reconnect with their families and communities. We offer complete residential and day treatment programs, group home living, transitional living services and behavior consultation services to many local and regional school districts. Ozanam is a Cornerstones of Care agency and a member of the Heart of America United Way.

Volunteering at Ozanam

At Ozanam, volunteers are essential. They play a vital role in helping our children, especially those who have never experienced the benefits of a positive adult relationship. The boys and girls need people like you to become their role models, leaders and friends.

Opportunities exist for you to become a mentor, a tutor, a greenhouse assistant, a special events volunteer, and more! Ozanam also has opportunities for group projects, and new ideas are welcomed! For more information about how you can make a difference, please visit www.ozanam.org.

About Our Tournament Sponsor: Asurion

Asurion is the global leader in enhanced services for the wireless industry, with more than 50 million subscribers. With clients that include many of the world's largest wireless carriers, system integrators and equipment manufacturers, we provide programs and services in seven key areas: enhanced warranty, handset insurance, roadside assistance, asset recovery, debt protection, equipment maintenance, and mobile content backup.
